Beautiful apartment close to golf and the beach

This beautifully presented luxury apartment is located in one of the very best urbanisations in the Mijas golf area. As we enter the apartment the first things we notice are how bright and airy it is. Directly to our left we find the newly renovated kitchen and coffee/breakfast bar which leads out to a wonderfully sunny terrace to soak up the Mediterranean sun. Moving back to the main living space we are greeted by a large dining area and living room with ample space for entertaining. Leading off of this living space we have two spacious double bedrooms and two recently renovated bathrooms, one of which is en suite for the master bedroom. Both bedrooms have direct access to one of the two gorgeous terraces.

The living room also leads us out to the larger terrace where we have the most stunning views over the pool and gardens to the backdrop of the Mijas golf course and distant mountains. A perfect place to enjoy a cold drink on a warm summers evening.

This urbanisation has two very large communal swimming pools that would put some of the very best
